

# ECOWIND

REFRIGERATED - DIESEL POWERED - 3.5KW

- 12 VOLT & 24 VOLT

The Ecowind is a diesel powered unit designed for all truck types, small or large sleeper cabs. This unit is a good all-rounder and will keep your sleeper cold in all weather conditions. This unit is the quietest diesel powered unit on the market. There are a few different fitment styles depending on your truck and where you have room for the unit.

To help maintain your sleeping comfort, you control the cabin desired temperature between 15° - 23°C for as long as you want!

This unit has been specifically engineered for Aussie conditions. Sleep any place, any time with Ecowind the ultimate in climate control when you sleep!

## POWER UNIT

- SIDE MOUNT ON CHASSIS - STANDARD FITMENT
- ON TOP OF CHASSIS - EXTRA COST
- REAR OF CHASSIS (NOT RECOMMENDED) EXTRA COST

## PROS:

- Quietest diesel powered unit on the market, operating at only 60db.
- Factory built Lombardini
- Variable speed control
- Annual servicing or every 250 hours
- Different fit-up styles
- Remote control
- 1 year full warranty—depending on usage conditions
- Single cylinder diesel Lombardini engine
- Operates with its own Diesel engine
- Full safety control devices
- Very flexible application to suit your truck, under 500mm (standard chassis mount fitment)
- Auto battery monitoring system
- Hour metre for regular service
- Low oil pressure warning
- Low gas pressure warning
- High oil temperature warning

## CONS:

- Noisy unit (as it is a diesel powered unit)
- Expensive
- Need 500mm room on chassis for fitment

## POWER UNIT

- Dimensions (L x H x W) 710 x 560 x 360mm  
450mm required for fitment
- Lombardini Engine 15LD 350S Diesel
- Cylinders 1
- Alternator Nominal Voltage 14/28
- Current Out Max Ampere 70/40
- Compressor Refrigerating gas R-134a
- Displacement cc 349
- Power 3.5kW
- Noise Level 60db
- Weight 109kg

## CONDENSOR

- Dimensions (L x H x W) 560 x 360 x 120mm
- Weight 6kg

## CABIN UNIT EVAPORATOR

- Dimensions (L x H x W) 560 x 360 x 140mm
- Air flow min\_mac m3/hr 120 - 600
- Noise level db <35
- Batteries Recharge Automatic
- Weight 10kg
